# INVITATION

Dear colleagues,

The 7th ASCO GI will take place on **February 5, 2022 virtual and on-site.**

Two weeks after the Gastrointestinal Cancers Symposium in San Francisco, the steering committee will put together virtual meeting presentations followed by discussions in a personal atmosphere.

In addition, we will directly connect with high resolution to a selection of official program speakers of the symposium.

So this will be a real ASCO Direct.

Best regards,

**The Steering Committee**
